

500 GT SRL ENDORSEMENT WORKSHOP

Prospectus

The 1-day 500 GT SRL Endorsement Workshop is designed to help those with sufficient sea time with the completion of their Training Record Book (TRB) to allow them to sit their oral exam with Maritime NZ.

The Maritime NZ endorsement allows holders to skipper vessels >24m and up to 500 GT in restricted limits. At least 12 months of sea time on vessels over 12m is required.

-
- Qualification:** 500 GT SRL Endorsement
- Aim:** To support skippers with SRL and adequate sea time in the completion of their Training Record Book (TRB) and preparation for the MNZ oral exam, which can be sat immediately following this workshop.
- Timeframe:** 1 day workshop to complete the TRB – Practical tasks to be completed on vessel prior to attending the workshop.
- Recognition:** The completed TRB along with 12 months of sea time on commercial vessels >12m meet the Maritime NZ requirements to sit the oral examination to be granted the 500 GT SRL endorsement.
- Location:** Nelson, or other locations by request. Please contact us for more information.
- Requirements:** You must have completed at least 12 months of sea time on vessels over 12m and completed all practical components of the TRB. Be sure to check the MNZ website for the current criteria.

This 1-day workshop was designed in collaboration with Able Ships and Guard Safety to allow students to complete their TRB with the help of highly qualified industry experts.
